(c) All crude oil imports arc arranged only on FOB basis except lor sweet crude oils from Nigeria and Australia. Majority of the imports of petroleum products from foreign National Oil Companies under term contracts are arranged on FOB basis. Imports from open market are arranged by issuing tenders to registered parties. On receipt of offers TRANSCHART is approached to advise us the availability of suitable vessels and firm freight rates thereof for the FOB offers received. The FOB offers are evaluated based on the freight advised by TRANSCHART and are accepted if found economical. Government have allowed export of petroleum poducts on FOB basis.

Failure of ONGC oil search in West Bengal

1192. SHRI DIPANKAR MUKHERJEE: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the news-item captioned "Rs. 600 crore ONG*C* oil search in West Bengal 14 fails for poor method" appearing in the Financial express, Calcutta, dated the 22nd April, 1996;

(b) if so. Government's reaction thereto, especially with regard to the allegations about a section of ONGC officials coming in the way of Soviet Seismic Party's plan of action in Bengal Basin;

(c) the major inference drawn by Kingston's preliminary report on geological prospectivity of the Bengal Basin; and

(d) by when is the Kingston's report likely to be made public?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI T.R. BAALU): (a) Yes. Sir.

(b) The allegation that a section of ONGC officials came in the way of Soviet Seismic Party's plan of action in Bengal Basin, is without any basis.

(c) The major inferences of Mr. John Kingston's report on the Bengal Basin areas are:

(i) Additional 2D & 3D seismic data acquisition in some areas. These are planned to be acquired during 1996-97.

(ii) Review and re-interpretation of existing data.

(iii) Further exploratory drilling may be taken up only after firming up of highest quality prospects. In any case, no drilling is recommended atleast for three years.

(d) From time to time, ONGC has been utilising the services of internationally reputed experts to assess the potentiality of different sedimentary basins of India. As a part of this, the opinion of Mr. John Kingston was taken for the East Coast Basins of India, including the Bengal Basin. Mr. Kingston's report is already well known amongst the concerned ONGC Scientists.
